

Minutes 06/08/2015

Carlisle Energy Task Force

Meeting: Monday June 8, 2015 – 7:30 PM

Present: Dan Cook, Pamela Cady, Bob Clarke, Bill Risso, Basu Sarkar, Claude von Roesgen, Helen Young, and Bob Zogg + Debbie Bentley

Review Minutes – May 11 meeting minutes were accepted with minor revisions

Young Carlisle Energy Fair – June 15 – arrive at 2:00

Next Step Living and Barn Raise will be allowed at the Fair

Pamela has assignments for who will man each activity.

Flyers will be put up at the Library, Kimball's, Great Brook Ice Cream stand, Ferns, Carlisle School, Town Hall, the Transfer Station, and possibly Whole Foods

Bring various electronic devices: laptop, lamp, energy gun, etc.

Raffle prizes: honey, low-flow shower heads, LED lights, wind-up flashlight, etc.

School is trying the use of film to cover the windows to stop heat gain in the warm months (and also prevent heat loss in the winter months.

David Flannery is checking the school energy-use data for accuracy.

Need to set up a presentation by Next Step Living to the School Committee to explain what they do.

Facebook Page – Need to create a gmail account. Pamela will do this.

Carlisle Solar Challenge –

Will be advertised at Carlisle Farmers Market

At Old Home Day

(possibly) At Whole Foods

BarnRaise plans to start negotiations with Sunlight Solar and hopes to sign a contract for photovoltaics this month. Similarly talks are underway with New England Solar Thermal for solar thermal installations.

Kids may be able to work to identify homes in town that are good candidates for solar energy using Google Maps and possibly Zillo. Mass GIS “Oliver” has data about all the property boundaries.

Carl has done an online solar calculator which uses energy bills as input.

Library –

Basu talked with the suppliers of lights and found that the inexpensive tubular bulbs were fluorescent, not LED. Tubular LED lights may still be available from other sources.

Meeting adjourned at 9:12 PM

Next Meeting: July 13
