RE: Lifetime Green Homes, LLC
Application No. 1405

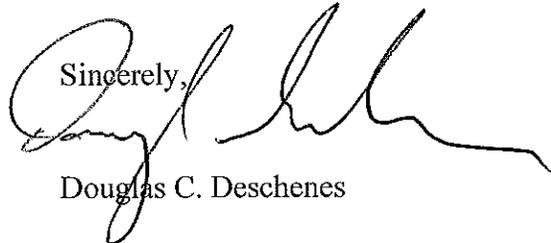

Dear Members of the Board,

I am writing on behalf of my client, Lifetime Green Homes, LLC, to provide the Carlisle Zoning Board of Appeals a 30 day extension of time in which to act relative to the above referenced project. As you know, applicable state regulations require the Board to close a public hearing for a Comprehensive Permit 180 days after opening the hearing. Furthermore the Applicant has previously granted extensions for the Project.

The Board had requested an extension of time in which to act, beyond the currently extended time period. This extension provides an additional thirty (30) days beyond the current deadline of May 27, 2015. As such, please allow this letter to serve as the Applicant's extension of this time period until June 26, 2015.

Please call me with any comments or questions you may have. Thank you for your time and consideration in this matter.

Sincerely,

Douglas C. Deschenes
