Subject: Cape Cod Drinking Water

Hi Peggy,

This short article and video clip from "Greater Boston" on WGBH on the water situation on Cape Cod might be helpful to the ZBA and in making a case to MassHousing or DEP. Please do post and distribute.

Researchers Expose Contaminants In Cape Cod Drinking...

A Newton-based laboratory recently found that 75 percent of the Cape Cod drinking-water sources it tested had contaminants like over-the-counter drugs,
