Office of
PLANNING BOARD

MINUTES

MAY 3, 1982

PRESENT: Clarke, Hannaford, Sillers, Chaput, Sauer, Raftery

The meeting was called to order at 8:05 P.M.

The minutes of April 26, 1982 were accepted as written.

Continuation of Public Hearing - Kydd - Common Driveway

The continuation of the Public Hearing opened at 8:15 P.M.

Mr. Kydd presented a tentative revised plan showing one common driveway serving six (6) lots. (The previous plan showed these six lots served by two separate common driveways.)

In addition the main section of the driveway was shown entering and going through the central portion of the property, thereby eliminating the previously proposed driveways, one of which was placed along the edge of Mr. Kydds' land and adjacent to the neighboring property. This previous situation had drawn disapproval from the Board.

The amended plan, in its preliminary form, was given tentative, informal approval by the Board.

The hearing was adjourned at 8:30 P.M. to be continued at 8:10 P.M. on May 24, 1982.

Presentation of Conservation Cluster Zoning and Zoning Amendments at Town Meeting

It was proposed and agreed that Tom Raftery and Dick Coulter would develop and give the presentation of Conservation Cluster Zoning and Proposed Amendments to the Wetland/Flood Hazard Zoning District Map at the Annual Town Meeting on May 10, 1982.

The meeting was adjourned at 9:00 P.M.

Respectfully submitted,

Harold S. Sauer
