PLANNING BOARD

## MINUTES

Meeting of October 13, 1986

Present: Chaput, Sillers, Davis, Raftery and Leask

### Carlisle Land Trust

Minor changes in the ANR Plans dated September 16, 1986, have been made and shown on plans dated September 22 and 29, 1986. The revisions add a lot of 5.73 acres to Lot 14-2 and correct the frontage of Lot 3 from 79.217 feet to 81.00 feet. The latter was a drafting error. The ANR plan is dated September 29, 1986, drawn by BSC-Bedford for Carlisle Land Trust, Drawing No. 1361-07. The September 22, 1986, plan is also drawn by BSC-Bedford, Drawing No. 1361-03. The latter plan consists of three (3) sheets for the purposes of the common driveway.

On motion duly made and seconded, the ANR Plan was unanimously approved (but with Mr. Raftery abstaining).

With respect to the common driveway special permit, an amendment to the special permit is required. Since Mr. Raftery is a member of the Carlisle Land Trust he has not participated in the votes to date. Mr. Leask moved to waive the conflict to allow Mr. Raftery to vote. Duly seconded, it was unanimously passed. Then, a motion was made to find the amendment to the special permit as not significant. The motion was unanimously adopted. There was a motion to amend the special permit by changing the plan reference in said permit to the September 22, 1986 plan and all sheets thereto as described above. The Conservation Cluster Special Permit was also corrected to reflect the new plan.

A motion to adjourn was made at 8:26 P.M.

Respectfully submitted,

Thomas J. Raftery
