This list is provided for convenience purposes only. In the case of any conflict between the list and the records on file at the Town Clerk's Office, such records shall control. The presence of a street on the list does not mean that the street provides legal frontage for land abutting the street. The presence of a street on the list does not mean that the street is: (a) a public way or a way which the Town Clerk certifies is maintained and used as a public way [unless the records on file at the Town Clerk's Office so indicate], or (b) a way shown on a plan theretofore approved and endorsed in accordance with the subdivision control law, or (c) a way in existence when the subdivision control law became effective in the Town, having, in the opinion of the Planning Board, sufficient width, suitable grades and adequate construction to provide for the needs of vehicular traffic in relation to the proposed use of the land abutting thereon or served thereby, and for the installation of municipal services to serve such land and the buildings erected or to be erected thereon.
