

Senior Tax Advisory Meeting
Wednesday, September 9, 2020
9 am.

This meeting is open to the public by invitation of Angela Smith, for zoom information, please contact her at asmith@carlislema.gov for access.

Agenda:

- **Review/Accept Minutes of August 19, 2020 Sr. Tax Advisory Meeting**
- **Review schedule for FY22 Program and decide when this program will run from a timing perspective.** FY21's cycle will end October 31, 2020, and the new program is scheduled to begin on November 1. The question is does the committee want to continue on this cycle November 1, 2020 – October 31, 2021 with credits being automatically applied in the following May tax bill or a tax worker being able to bring their 2020 paperwork showing what amount should be credited and asking it be applied to their February tax bill. Or does the Committee consider returning to a fiscal year (what was done for many years in the past), or consider changing to a calendar year?
- **New Questions:** Are there other topics that the Committee needs to discuss as we prepare to close out FY21 or as we prepare for a new Tax Worker Cycle?
