1. Open Meeting & Attendance

“On June 16, 2021, Governor Baker signed into law An Act Extending Certain COVID-19 Measures Adopted During the State of Emergency. This Act includes an extension, until April 1, 2022, of the remote meeting provisions of his March 12, 2020, Executive Order Suspending Certain Provisions of the Open Meeting Law. The new law has two major parts.

First, the new law allows public bodies to continue providing live “adequate, alternative means” of public access to the deliberations of the public body, instead of holding meetings in a public place that is open and physically accessible to the public. “Adequate, alternative means” may include, without limitation, providing public access through telephone, internet, or satellite enabled audio or video conferencing or any other technology that enables the public to clearly follow the proceedings of the public body in real time.

Second, the new law authorizes all members of a public body to continue participating in meetings remotely; the Open Meeting Law’s requirement that a quorum of the body and the chair be physically present at the meeting location remains suspended.”

I ask that all SEPAC Committee members, town staff, and presenters activate their video and mute their microphones unless they have something to say or are participating in committee dialogue. All committee votes will be taken by roll call. We will start with an attendance roll call. I will announce your name, please reply.
