	3	Provide Tim Goddard with a description of the work needed by the town/ volunteers to comply with being a Green Community.	
	4	Summary of Grant Opportunities. Bob to prepare the list from other non-profit/ energy managers Debbie to troll through the State.	
2	1	Masterplan liaison. RFP's have been issued. Due back June 28 th . Bob Zogg Updated Janne on the ETF research and analysis on Energy Use. The consultant should have a sustainability expert who could evaluate the ETF report.
