RE: Comprehensive Permit--100 Long Ridge Road
Additional Fees of Nitsch Engineering

Dear Members of the Board,

Please be advised that my client will agree to pay the additional requested review fee of Nitsch Engineering in the amount of \$2500.00, however, my client is doing so under objection. The Applicant will not agree to any further review fees for work completed by Nitsch Engineering. The Applicant believes that work done by Nitsch Engineering to date exceeds the scope of their contract with the Zoning Board of Appeals. Work done outside the contract should have received prior authorization of the Zoning Board of Appeals.

The Applicant requests that the Board provide copies of all authorizations that have been provided to Nitsch Engineering on behalf of the Zoning Board of Appeals for this Project.

Very Truly Yours,

Douglas C. Deschenes
