

Recycling – Brush

Include these items:

Chippable brush: branches, small logs, twigs

Not acceptable:

Leaves, stumps, non-chippable brush

How and where to recycle:

Bring to Transfer Station only during month of April (Christmas trees may be deposited in January. Place items on brush pile located off of Morse Road in the DPW yard (follow signs in DPW yard – Location 16)

Recycling information:

- Organic waste is not allowed to be deposited in household waste compactor.
- The brush pile is chipped by Transfer Station staff resulting in a pile of wood chips, located behind the brush pile. Residents may take wood chips anytime during the year.
