

## **FOR CARLISLE COLLEGE STUDENTS**

### **Caroline Hill Scholarship Fund**

The Caroline E. Hill scholarships were established in memory of Caroline E. Hill, a longtime resident of Carlisle who died in 1967 at the age of 93. Her will included a generous bequest to the town to provide financial assistance to deserving Carlisle residents. In addition, the town has other funds that are combined with this fund to provide scholarships.

Scholarship grants from the Caroline E. Hill Fund are available to Carlisle residents planning to continue their studies at any post-secondary schools including trade and vocational schools. The Carlisle Board of Selectmen awards the grants upon the advice and recommendation of the Carlisle Scholarship Advisory Committee. **Grants are based on need.** Typical awards range from \$500 to \$1500.
