Carlisle FY2020 Senior Tax Worker Program:
If you are a Carlisle property owner, sixty years old or older, you are eligible to apply for the Carlisle Senior Tax Worker Program. In addition, if you live with a Carlisle senior who meets all of the eligibility requirements, you can work in their place without meeting all of the eligibility requirements. Please note: payment will be made in the form of a real estate tax deduction to the owners January Real Estate tax bill. Further note, in order to receive a tax credit, the owner must be the owner of the property effective January of the following year to receive the credit. Example if you work in FY2020 (November 1, 2018 to October 31, 2019), your payment can be applied as a reduction to your (or the property owner(s) that you are working for) tax bill in January 2020 or automatically come off your May 2020 tax bill. Therefore, if you don’t expect to be owning the property in January, please realize that your efforts will be considered volunteer work.

Approved applicants provide work assistance to town departments such as the Council on Aging, School, Police, Library, Town Clerk’s office and more! Tax workers can generally earn up to $1,000 working approximately 83+ hours at the current minimum wage of $12/hr. These funds are intended to offset the tax worker’s property taxes by being matched with a Town Department’s personnel needs. Tax workers must submit detailed time sheets which must be signed by the tax worker and signed by the department whom you are working for and submitted by the deadline of the program (October 31 no later than 3 p.m. or the last business day before that date).

To comply with IRS and local regulations, all participants in the Senior Tax Worker Program are required to complete the necessary documentation to become an employee of the Town, before commencing any work. If you have done this in the past, and not stopped or interrupted being a tax worker, then you don’t need to do this again.

Earnings from the program are considered income for Federal tax purposes, and you will need to report Sr. Tax Worker earnings on your federal income tax form, but they are not considered income for Massachusetts state taxes. Tax Worker positions are not benefits-eligible positions; however, all statutory federal deductions will apply. Currently, a deduction of 1.45% is contributed by all employees for Medicare, and this is matched by the Town. You may also be subject to deductions for a contribution to a retirement plan (these funds minus administrative fees are returned when you are no longer a tax worker).

The individual who performs the work will receive a W2 depicting Sr. Tax Worker Program earnings and payroll deductions. Sr. Tax Workers will not receive a paycheck. Rather their net earnings will be applied to their tax bill that is dated May 1 and due June 1, or once they receive their W2, they can take that document with them to the Treasurer’s office and reduce their January tax bill accordingly.

This program has limited slots, therefore, sign up early! Assignments were made in November for FY2020 although applications are accepted throughout the period of the program. If you would like to apply or learn more about this program, please contact the Council on Aging at 978-371-2895.

Volunteers make a difference!

This program represents a modest effort to provide some financial relief to retired taxpayers of the Town of Carlisle. Yet the program cannot assist every eligible citizen. It will prove counter-productive if its effect is to discourage volunteerism with respect either to committees and other civic activities. For those who are not eligible or not selected for work within this program, please continue to volunteer.
FY2020 SENIOR TAX WORK PROGRAM
APPLICATION

PLEASE NOTE: Your assignment(s) should be considered a work commitment; communication with your supervisor is critical. Once an assignment is made, if you are not currently a town employee (not having been a tax worker in the previous year), please contact the COA office to pick up your employment packet. Once that has been submitted, please contact your supervisor to establish a work schedule that can fulfill the hours required and meet the needs of the Department and your schedule. Please note that it is the person performing the work who will receive a W2 form and if that individual is working for someone they live with who meets the requirements of the program, it is that individual who will have their tax bill reduced. Further note, that in order to receive any credit, the home owner must own Carlisle property in January when the tax credit would be considered.
